

# “Pray Continually.”

## What is 24-7 Prayer?

We believe that God hears and answers us when we pray. We believe that God calls us to prayer and intercession (prayer on behalf of others)...it’s a responsibility and a privilege. 24-7 is one of the ways we help students focus on prayer. By sharing our requests with one another and setting aside periods of time for continuous prayer, we are taking intentional steps towards developing lifestyles of prayer—understanding what it means to “pray continually”.
