

Encouraged Memory Work for your Kids...

In both the “little (preschool-K) and big (1st-6th) **a.r.k.**”,
Bible memory work is part of the Sunday morning schedule.
But we all know that it takes more than that to make the Scripture stick.
This page is easy access for the family to look up and have available.
Just click on the age level you need
and it is the same as what their small group is working on each Sunday.
Thank you for helping us with this part of your child's spiritual growth.
